

Montgomery Martin Contractors Wins Three ABC Excellence in Construction Awards

September 22, 2011

Each year, the West Tennessee Chapter of the Associated Builders and Contractors recognizes outstanding projects throughout the Mid-South with their "Excellence in Construction" Awards. The projects submitted are judged by a panel of industry professionals based on multiple criteria including innovative programs used, overcoming challenges, quality control and safety. Montgomery Martin Contractors is pleased to announce the receipt of the "Excellence In Construction" Award for the following projects:
