

Newell appointed Special Projects Division Manager

Luke Newell has been appointed Special Projects Division Manager at Montgomery Martin Contractors, LLC. The Special Projects Division primarily consists of quality office space build-outs, but also includes retail, restaurant, bank, industrial, and government projects.

“The Special Projects Division has been an important asset to our company since its inception. I am truly excited to have Luke take over in this leadership role” says H. Montgomery Martin, CEO.

Newell, a LEED Accredited Professional, has been with Montgomery Martin Contractors since 2006. For more information about Luke or the Special Projects Division, please call 901-374-9400.
